Metal façade, Jona

Coating metal façades calls for a skilled touch, the right products and expert know-how.

Facts

Area	Painters / Decorators
Location	8645 Jona SG
Year of construction	2023
Endclient	Galliker

Project details

A metal building façade in Jona was finished using our coating systems. The choice of colour was no coincidence – it was precisely matched to the specifications provided by transport and logistics company Galliker Transporte und Logistik AG, using our **Durocal 50** product. **Durocal 50** delivers outstanding weather resistance and colour stability – maintaining its performance and appearance even after many years.

This striking façade can be seen on the cover of applica issue 6/24.
