Project details

In the heart of Basel's old town, the eye-catching rock star graffiti in Gerbergässlein continues to grow. The latest addition to the "Wall of Fame": The Beatles! Doco-Finish was used for this legendary section. Doco-Finish is characterized by its exceptional durability and weather resistance, making it the ideal choice for exterior walls. This ensures that the bright colors of the artwork are preserved for the long term.

We are proud when our paints not only protect, but also keep works of art alive.
